Summary

In addition to working on my bachelor's degree in computer applications, I'm also trying to improve my skills by using the internet. In order to contribute significantly to the firm and acquire practical technical knowledge and expertise, I would want to work for a company. I'm excited about my first professional experience.

Education

10th Class New Delhi, India

From CBSE Board, Govt. Boys Sr. Sec. School

12th Class New Delhi, India

From CBSE Board, Govt. Boys Sr. Sec. School
